## BISON PRODUCTION COMPANY PROFILE

Bison Production Company is 100% women owned and NWBOC certified one stop shop for Industrial Safety, Food Safety, Health Care, Industrial Cleaning and House Hold products in USA since 2009. For more than a decade Bison Production Company has been providing NSF® vinyl gloves, nitrile exam gloves, aprons and hairnets to distributors in the USA. Bison's products are shipped to 10,000 customers across USA on replenishment basis every week. Further expansion was made with facilities in Alpharetta, GA, Carona, CA and Little Rock, AR in 2012. With 6 global manufacturing locations Bison's brands across 5 categories have become the recommended brands by the industry experts. Our goal is to exceed the expectations of every client by offering outstanding customer service, increased flexibility, and cost savings for operational in-store solutions, retail and ecommerce.

At Bison, we believe in creating positive experiences by taking interest in our communities. This takes care of the interests of society by taking responsibility of our activities on customers, suppliers, employees, shareholders, communities, and the environment. Bison has undergone an orientation transitioning from "Charity & Philanthropy" to "Universal Beneficence" through strategic partner mode, with the motto "Dignity for all". We strongly believe in the highest of ethical standards and compliance regarding our employees, customers and suppliers. With monthly feedback from our benefactors we endeavor to improving the lives of the people we touch. Every day our employees worldwide enrich lives through our business and community programs such as health and wellness, environmental stewardship, community involvement, and employee advocacy.

**More Safety.**  
**More Quality.**  
**More Protection.**

**BISON LIFE® PROMISE**  
Bison Life® is dedicated to providing healthful, gentle, and safe products for the entire family. We continuously strive to be your trusted partner in wellness and exceed your expectations.

## QUALITY ASSURANCE IN OUR PRODUCTS

We continually offer products that are unique to the marketplace to insure our customers have a competitive advantage. All our products meet or exceed the highest industry safety standards and are independently tested in health care, food safety, industrial safety, industrial cleaning and household. Bison Production Company and its brands **Safe Handler®**, **Kleen Handler®**, **Kleen Chef®**, **Zayaan Health®** and **Popular Life®** main vision is to provide safety products across industries and every household. Industrial safety covers many issues and topics affecting safety of personnel and equipment in a particular industry.

The following areas are generally covered: general aspects of safety which are common to all, **occupational safety and health** particularly associated with the occupation, process and production safety in the process and production etc., **material safety** of the materials used in the production, **workplace safety** issues directly related to the workplace, **fire safety** and the risks associated to the industry, **electrical safety** in general and, arising from the equipment used, **building and structural safety** in general including installations as per existing building code, environmental safety and issues of environmental safety (direct or indirect impact of the industry).

The main goals for achieving the safety we offer is: prevent workplace injuries and illnesses, improve compliance with laws and regulations, reduce costs, including significant reductions in workers' compensation premiums, engage workers, enhance their social responsibility goals, increase productivity and enhance overall business operations.

Safe Handler® offers a full line of products designed to keep you protected and safe. Safe handler® is a leading brand of premium protective eye and face products that set the standard for comfortable, high-quality protection at work. From Eye and Face Protection to Hand protection and Fall protection, our solutions help to maximize efficiency in a wide range of industries, enabling our customers to operate at peak productivity and remain safe — day in and day out.
